

Over the past three years we have seen our community enthusiastically support our mission through giving.

Your gift demonstrates belief in our mission and ensures Elder Care Services is able to provide supportive services that older and vulnerable adults can depend on. These services help DeKalb County older adults remain **safe, secure and supported** within the community. **Below, we have listed opportunities for giving.**

Monetary Gifts can be made through our website [donation portal](#) or by mail.

Non-perishable food or non-medical items may be donated at our office.
