

Dear Community Partner,

2021

Elder Care Services of DeKalb County has served older and vulnerable adults in the DeKalb County area for over 33 years. We are committed to this community and those who live within it, just like you. This fiscal year, we aim to raise funds through our first community fundraiser to help provide services that ensure older and vulnerable adults stay safe, secure, and supported within the community. We are a local nonprofit, and our professional services are available for free to our community. Financial support for these services is provided through federal, state, and local sources as well as donations.

On October 6th, 2021, we will host a movie night fundraiser event with the Egyptian Theater. At this event, we will be showing the 1971 movie *Willy Wonka* and raise money through ticket sales and raffles. We think our efforts would go even further with the support of our community partners. Financial and in-kind sponsorships are available for our inaugural community fundraiser. As a sponsor you will receive several promotion benefits including:

- Business name printed on event materials and/or tickets
- Pre-movie advertisement slot of up to three minutes
- Complimentary tickets to the event based on level of sponsorship
- Sponsorship is mentioned on the Elder Care Services website, local radio, and social media.

Please reach out to Christi Coulter at [marketing@ecsdekalb.org](mailto:marketing@ecsdekalb.org) or 815-758-6550 if you have questions or need to request changes to the proposed sponsorship. We look forward to partnering with you for our inaugural event.

Sincerely,

A handwritten signature in black ink, appearing to read "Christi Coulter", enclosed within a hand-drawn oval.
